Luke's Well Project

I read in High-
lights magazine
about women having
to walk a mile for fresh water.
I thought of building wells for
people. Water is needed to live.
I am going to make cookies and
run the coffee cart after worship
to raise money.

age 7

Dear People of God,

Please help bring life to those who cannot get clean, accessible water. Your donations will build wells where they are most needed in India. Plus, Lutheran Hour's Christian Media Centre will provide youth centers to reach children and their families with the Gospel.

Please partner with God, my son Luke, and Lutheran Hour to bring not only water for this life, but also water welling up to eternal life.

Use the enclosed envelope to send checks made to "CNH District Lutheran Laymen's League" with "Luke's Well Project" in the memo. Or, donate by

PayPal to online-donations@cnh-lhm.org. Every gift will make a difference. For more, see cnh-lhm.org

Please consider sponsoring one well for \$1500.

Your partner in Christ,
Luke's Dad (Pastor Steve Willweber)

"Whoever drinks of the water that I will give him will never be thirsty forever. The water that I will give him will become in him a spring of water welling up to eternal life."
